**SHARIAH CERTIFICATE FOR ZAKAT FUNDS-
FATIMA HANIF FOUNDATION**

INTRODUCTION:

Fatima Hanif Foundation (FHF) is a non-profit organization dedicated to serving underprivileged communities by providing access to healthcare, education, and social support. Guided by its mission to empower communities through compassionate healthcare and education, FHF offers support with excellence and dedication. The Foundation envisions a society where every underprivileged individual has access to essential services, enabling them to grow and achieve their full potential.

METHOD OF UTILIZATION OF ZAKAT:

The financial needs of FHF are met through both general donations and Zakat contributions from individuals and corporations in Pakistan and abroad. The Zakat received by FHF is allocated for the welfare of deserving individuals.

FHF's management assesses the financial status of applicants to determine their eligibility for Zakat and subsequently obtains authorization from eligible beneficiaries to collect Zakat on their behalf. This constructive tamleek (transfer of ownership) arrangement enables FHF to collect and utilize Zakat in accordance with the beneficiaries' eligible needs and Shariah guidelines.

SHARIAH RULING:

During our review, we specifically examined the Zakat disbursement system of Fatima Hanif Foundation. We confirm that Zakat funds are allocated solely to the eligible programs. A duly signed Zakat Assessment and Wakala (agency) form is obtained from each beneficiary as part of the disbursement process.

We confirm that under our supervision, the Foundation utilizes Zakat primarily during this year for ration distribution, education support, marriage assistance, and other approved charitable purposes.
